

## **Head Girl Nomination Speeches**

### **Katie**

When I got given the letter to say I had the chance to become Head Girl, I started wondering what the Head Girl should do.

What are the duties of Head Girl? The role of Head Girl means you have to be a role model to the younger children. You also have to be able to understand the school rules. Being Head Girl means you have to make sure that children are happy and feel they are safe by telling the Head or Deputy Head what changes other children would like to add to the school. To become Head Girl, I believe you must be able to follow the rules and you have to make good behaviour choices. Due to my role as Deputy Head Girl last year, I think I can bring that to the role of Head Girl this year.

I would like being Head Girl for my last year at Beecroft and I hope you would like it too.

### **Tadiwa**

Hello everyone. My name is Tadiwa Ngoro, I am 10 years old and I am in Leopard Class. I want to thank you for giving me this opportunity to stand before you.

It will be a great privilege to be nominated as your Head Girl. I will work hard to take all your ideas to school meetings and make sure that everyone is included. This can only happen if we work together in harmony. I will always have a positive spin on negative things. I am caring, loving and have a good sense of humour. I want this school to be the best it can be and everyone to live life to the fullest. I will be there for you when you need me and I will respect and value you as an individual pupil, maybe even one day you will be standing here too. Please vote for me and I'll make this school proud.

### **Nancy**

Hello everyone, my name is Nancy Gurney. I am very excited and proud of myself to be nominated for Head Girl at Beecroft.

I am a very caring and encouraging person and like to make people happy. As Head Girl I would help people who are sad and need cheering up. I think it is very important to be happy at school and I would try my best to make sure that nobody feels left out at break times.

At Beecroft I have been a Playground Friend where I looked after people who felt lonely or a bit down and talked to them, making them feel better. I was also a Milton Monkey where I helped to make people active and have fun at break times. I have also been a librarian and enjoyed organising the books for people to read.

I really enjoyed representing the school in basketball and hope to be in more school teams this year. I love being creative and especially in art. I would like to be able to set up a break time drawing club for people to come and have fun.

I think I would be a good Head Girl as I am a good listener and like to hear other people's ideas. I would be very active with the School Council in getting everyone's thoughts across.

Thank you very much, I hope you will vote for me.

### **Chloe**

Hi, my name for those who don't know is Chloe Griffin and I'm in Year 6. Being nominated to be Head Girl came as a shock and a big surprise. It would be a great honour to do this because it is a role I've always dreamt of doing since it was created.

I never thought I'd ever have the opportunity to do it though, so firstly I'd like to thank Mrs Knight for nominating me. You are showing me trust and believing in me. I have found things very hard the past 2 years. I found it hard to have confidence in myself, so by nominating me, you have shown me that I'm capable of great things.

If I get to become Head Girl, I promise to do my best to keep the school a happy place for both the students and teachers. I will help the teachers with whatever I can and be a good friend to any student who needs someone. I will also help the school council to make good decisions.

Thank you for considering me to become your Head Girl.

## **Head Boy Nomination Speeches**

### **Jack**

Good morning everyone. I want to thank you for this amazing opportunity to represent the school and its pupils as your Head Boy.

I want to help make every child at Beecroft proud to be part of our school, to feel accepted and included.

Last year, I was involved in most of Beecroft's sporting events. We started out slow but with determination and hard work we are now known for our sports achievements. If I am elected as Head Boy, I want to make Beecroft's sports teams the greatest!

As well as sports, I would like to focus on our younger classes. I would like to introduce a reading scheme. This would mean Year 6 classes reading to and helping the reception and Year 1 children. My sister has just started in reception and I know how much she loves me sitting with her and reading together.

I'm sure you would all vote for me if I promised to stop all homework, but I'm afraid that's never going to happen, however, if elected as your Head Boy, I want you to know that I am always free for you to come and tell me your ideas. I want you to think of me as your voice and we need to work together to make Beecroft the best school in Dunstable.

I want to finish by saying, 'vote for Jack as your new Head Boy. I promise you a fresh, new and exciting year at Beecroft.

Thank you.

### **Divine**

Hello everyone. My name is Divine and I come up here this morning to convince you as to why I should be your Head Boy.

I realise that being a Head Boy is not about being better than anyone else. It's about having your trust to organise and represent the school with enthusiasm and honesty and hopefully I will earn your trust in time. A Head Boy needs to be friendly, responsible, polite, respectful, caring, supportive and a good listener, of which I believe I possess these qualities and skills.

If I become Head Boy, I will make sure to work with everyone to make our school a better learning place, because creating a good learning environment is very important for pupils learning.

I think it is important to have a Head Boy and a Head Girl because you need someone who can look up to as a good role model. Another important aspect for a Head Boy is to pass and forward your brilliant ideas to the Headteacher to make our school better than it already is. Apart from what I've said, I want to have a positive impact on Beecroft Academy leaving next year knowing I did something worthwhile for the school.

I will be privileged if you select me as the Head Boy to represent our school. Please vote for me if you want your voice to be heard, your ideas to be considered and your experience in this year at school to be the best it can be.

Thank you for listening.

**Louis**

Hello everyone. My name is Louis. There are many reasons why I would like to be Head Boy.

Firstly, I have had brilliant teachers who have taught me well. I would like to help out and repay Beecroft for my education. I want to make my last year at Beecroft a special one and have a positive impact on the school.

Secondly, my confidence has really grown during my time here. I would like to help other pupils that need help or guidance. I feel that becoming a leader would be a positive challenge for me.

I believe I have good qualities to offer in order to fulfil the role of Head Boy. I am kind, considerate and a good listener. I will happily give up time to help someone in need. I am approachable and very friendly.

I will take on the role of Head Boy with the desire to do my best and represent Beecroft with pride. I will work hard and listen to the needs of the pupils. I will put forward your brilliant ideas to the teachers to make our school a better place than it already is.

So vote for Louis if you want your voice to be heard, your ideas considered and the next year to be a fantastic experience.

Thank you for listening.

**Ethan**

Hello, my name is Ethan and I would really like to be Head Boy.

I think I should be Head Boy because I show the values of our school. I am caring and helpful to the teachers and my classmates. I was a Playground Friend and encouraged children to play together nicely.

If I find something tricky, like my maths homework, I persevere and try my best. I am enthusiastic and in Year 5 I worked in a team with others in my class to build a Viking long ship.

I also set the right example and I will do things fairly and honestly. I am a positive pupil and I think I could make this school a happier place for us children and staff.

Thank you for listening to my speech!

**Charlie**

Hello, my name is Charlie Stanford and I am giving this speech to explain to you what the role of Head Boy would mean to me.

The role of Head Boy would make me feel over the moon because it is such a huge role. It would mean that I would have the support from all the teachers, but most of all from all of you, to take on this role. I am determined to become Head Boy this year because I was voted Deputy Head boy last year and I think I can do an even better job this year.

I feel that I would make an outstanding Head Boy because I am very sensible but fun, always happy and very helpful. Also I think that I am a very friendly person which makes me easy to talk to. Not only that but I am also a very good listener who is always here if anybody needs somebody to talk to. As well as all of that I am also a very confident and responsible person who is happy to speak out for my school.

If you voted me Head Boy I would offer you all my support and help when it's needed. Also, I can be a guide to all the new students and somebody for all of you to look up to. As Head Boy, I would introduce a teacher's tuck shop with coffee/tea and pastries for when we have our fruit tuck shop at break time.

if you think I should be Beecroft Academy's head Boy, you know what to do! Vote for me, Charlie Stanford. I will make my last year a fun year for all the year 6's.

Thank you for listening to my speech and I hope to be the one elected to be Head Boy.

### **Zaphaneth**

Hello. I stand before you today running for the role of Head Boy 2016/2017. For those of you that don't know me, my name is Zaphaneth Puplampu.

I believe that the most important things you need for Head boy is school spirit, imagination, dedication, ears that listen to everyone and exceptional representation of the school. First of all, my school spirit is over the roof and I think that lots of people need to raise theirs. So that's why, when I am Head Boy, I will encourage the Heads of the school to get us a lively bouncy school mascot. Secondly, my imagination is different in a good way. For example, if I am going to draw a picture, I make a plan, then in the process I change it a bit. Like Albert Einstein once said, imagination is more important than knowledge.

By the end of the school year, I hope to achieve adding more important roles for lower school because, yes, the older kits are well older but younger kids need somethings to give them wider knowledge of what is to come in the future.

Again, I want to introduce a school talent show. This will help everyone to boost their

confidence and show their talents.

My next idea is to have a pyjamas day. Well, that's just for a laugh because I know that everyone has a sense of humour. I will also hope to introduce a swap to the teacher's day because at my old school, the teacher always said to me, 'you don't know how long we take to mark and do your lessons'. So in each class, each teacher will swap with a child in their roles using a raffle. Then for the people that have a brain for English, I would like to introduce a spelling bee competition. This will help to improve people's spellings. We could also have a food bank to help people in need. One day every month, students and teachers could bring in some food that you would not need to put in the fridge and that will go to a local food bank. Then because I am sporty, I will want to persuade the Heads of sports to get more sporting teams like gymnastics, badminton, volleyball, netball, hockey and much more. Next, I will add International Day celebrations to show that we are all different. We will wear something that represents the various countries to reflect where people come from.

Finally, I would love to introduce Children's Rights in PSHCE lessons. I think it will help us to know what rights we have as children. By the end of the school academic year I hope to deliver on all my promises if I am voted head Boy. I need your votes to make this happen. I want to make a difference to Beecroft history.

This job is a hard job but I know the responsibilities that come with it. I have experience over these things and I think I will fit the role perfectly. I am always proud to represent Beecroft Academy in anything I do.

I have been in this school long enough and I can assure you that by the end of this year, people will be asking if this is really Beecroft. Donald Trump said, 'I can make America great again', but because I don't copy and I always want to improve things, I will change it and we will make Beecroft greater.

Thank you, vote for Zaphaneth for a positive and great change in Beecroft Academy.
