Expansion of Buzz Bees Wraparound Care - trial

Dear Parents and Carers

We understand how valuable our wraparound care provided by Buzz Bees can be to families. With this in mind we are going to trial expanding the hours Buzz Bees is open. During the autumn term we will be opening Buzz Bees at 7:30am every morning. Families will have two options for the morning session:

- 7:30 – 8:45am - £6.00
- 8:00 – 8:45am - £4.00

If we experience enough uptake of the care provided from 7:30 – 8:00am, we will continue to provide this option in the spring term and summer term. If this provision does not prove cost effective, we will revert back to the current provision which starts at 8:00am.

Buzz Bees sessions for the autumn term will be available to book on Magicbooking from Friday 27th June.

We hope that this provision will prove to be cost effective so that we can continue to offer it throughout the year and therefore further enhance the support we offer our families.

Yours sincerely
