

Welcome to Year 6 Leopard Class

I am really looking forward to Leopard class 25-26! Having almost completed my first year at Beecroft, I have already met and started to get to know some of you so I know what a great year group you are.

Year 6 is the best year of primary school: we will have lots of challenges (but I know you will all rise to them brilliantly) and fun. Highlights include: head pupils elections; prefect awards; a trip to the zoo; an interactive WW2 day, the residential and the end of year celebrations.

As the most mature pupils in the school, you will be the role models for everyone else. Having seen you all over the last year, I am confident that you will all be fantastic at leading the way for the rest of the school.

During the summer holidays, I am looking forward to relaxing and recharging by spending lots of time with my daughter, who has just finished her first year at university; catching up with my friends; gardening and going to the beach. I will also make lots of time for my favourite way to relax: reading! I hope you can all find some time to read over the holidays too. Dunstable Library has the summer reading challenge this summer, as well as lots of fun, free activities throughout the holidays, so that will be a great place for you to visit when you're bored.

Most importantly, I hope you have six weeks of fun and relaxation so you come back revitalised and ready for an amazing year in Leopard Class. I look forward to hearing about your adventures and sharing mine with you too.

Ms Spurgeon
