

11th February 2026

Breakfast Machine Morning

Dear Parents/Carers

To mark the beginning of our next 'Marvellous Machines' project, we would like to invite the children to be part of a "WOW morning".

As a part of this day we invite the children to have breakfast at school using a variety of different machines. We will be making breakfast using a waffle maker, a smoothie machine and a toaster. We will be learning about how machines work and why we need different machines for certain tasks. The Breakfast Machine Morning will be on **Wednesday 25th February 2026**.

You can still give your child breakfast at home.

We look forward to taking part in this wonderful day with your child.

If you have any questions please do not hesitate to ask us.

Kind regards

Mrs Phillips and Miss Yates
Early Years Teachers
