

Message from Mrs Hughes

Friday 1st May 2026

Dear Parents and Carers

First of all, I would like to take this opportunity to thank you all for engaging in our Progress Meetings either during the school day last week or after school earlier this week. It was great to see so many of you in school. It gave us the opportunity to share your child's progress and achievements with you. As a school, we really value this collaborative relationship with families and know how much it helps support each child.

It has also been wonderful to welcome families into school for our continuing class assemblies. This week it was the turn of Monkey Class who performed a fantastic assembly for their families - demonstrating all the learning they have been doing in class. We were very proud of them all!

Last week we also celebrated St George's Day in school and invited pupils to wear the different uniforms for their out of school clubs. It was lovely to see so many of them wearing their uniforms, including badges of achievement, with such pride.

Once again I enjoyed afternoon tea this week with children from across the school to celebrate how they have demonstrated the value of politeness to the children and adults in their class. This is one of my favourite parts of the month as I get to spend time with children from every class and talk about their learning. It is also really nice to see children of all different ages sharing their stories and achievements with each other.

As we get ready for the long weekend, I am sure that none of you will need reminding that we will not be in school on Monday 4th May but we will welcome the children back in to school on Tuesday morning when we will begin our week of observing Deaf Awareness Week in school. During this week the children will be undertaking activities to raise their awareness of what it is like for those with hearing loss or difficulties and how we can all be supportive of others. I hope your child is able to come home and explain to you some of the activities they have carried out to develop their awareness of this important issue.

I hope you all have a lovely weekend.

Mrs Hughes
