

11th May 2026

Year 5 Parents' Information - SATs

Dear Parents and Carers

As you may be aware, Year 6 is an important academic year for children in Year 6. Throughout the country, all children will be taking the national Standard Assessment Tests (SATs) and these will be during the week beginning Monday 10th May 2027.

We understand that this may seem a while away for your child in Year 5 currently, however, we are holding a parents' information evening on **Monday 8th June at 3:45pm**. This will be held in **Rhino Class**. Please arrive at the external door of **Rhino Class**, for a prompt start. Research shows that involvement from families in their child's education links directly to better attained outcomes in school. Therefore, we value this opportunity in meeting with you prior to your child starting their Year 6 journey.

School leaders will share key information on the SATs alongside ways you can support your child at home with their learning. There will also be important information to take away with you including practical guidance on how you can help your child and revision materials. You are welcome to bring your child along to attend this session.

Furthermore, we recommend the CGP revision books for additional content that can be accessed at home. Information on these will be shared in due course and can be used as part of home learning that your child may do throughout Year 6.

In addition to the information evening and to provide our children with the best possible chance of success during Year 6, we will continue to put in place a number of strategies which will support and reassure them including;

- Small mixed ability groupings
- Small group intervention work
- Lunchtime activities – (using ICT)
- Maths and reading, after-school interventions (for Year 6 only)
- Revision guides and useful websites
- Start of the day activities (SODA)
- TT Rockstars
- Home books; vocabulary, reading, times tables

Please find overleaf further key dates for your child's time in Year 6 with regards to the KS2 SATs assessments. We look forward to seeing you on **Monday 8th June at 3:45pm** in **Rhino Class**.

Yours sincerely

Mr T Buksztel
Deputy Headteacher

Ready, Respectful, Safe
