

Message from Mrs Hughes

Friday 15th May 2026

Dear Parents and Carers

This edition of my newsletter must start with a huge well done and congratulations to our Year 6 pupils who have all undertaken their SATs this week. They have arrived at school early - ready for our SATs breakfast and have shown real dedication and maturity in their approach. We know this will reflect in their results when we receive them later this term. Every one of them has worked so hard this year and are a credit to us all. Thank you also to our dedicated team of staff who have arrived at school early, worked in different areas around the school and helped out wherever possible in order to ensure the Year 6 pupils have had the best possible environment for their SATs.

Whilst our focus has been on SATs this week, we have still ensured we have been having fun in our learning across the whole school. Last week, every class was very excited to be able to experience real Lunar Rock visiting their classroom. Each class carried out different experiments involving the Lunar Rock and we feel very privileged to have experienced having this in our school.

Meanwhile our Eco Council supported the local area by helping representatives from Woodside Community Garden to plant 48 plants. We look forward to seeing our hard work flourish as these trees grow.

Last week saw Year 5 pupils experience their residential trip to Condover Hall. This visit enabled pupils to challenge themselves in different ways than in a usual school day - in turn building their confidence and self-esteem.

Unfortunately, I must once again raise concern regarding the driving and parking of families around the school. A neighbour even reported this week that a parent had parked a car on their driveway which is, obviously, totally unacceptable. I, once again, request that you model courteous and safe use of the roads and pathways near the school to our pupils whilst ensuring that all pupils can travel to school without their safety being compromised.

I hope you all have a lovely weekend.

Mrs Hughes

Notices

Studybugs

Download the Studybugs app for reporting your child's absence

A quick and secure way to report absence due to illness and send messages to school.

If you do report via Studybugs, please keep a check for any replies from the school.

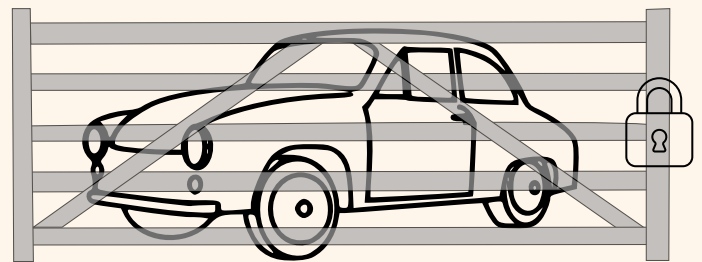

Please note the car park gates will be **locked** between

8:30am - 9:00am

and

3:00pm - 3:30pm

Thank you

Thank you for supporting our value of May: **patience**

Patience
is a
VIRTUE

How could you encourage your child to show this value at home?

Summer Term Prize

We will be celebrating with all children who are at or above the school target.
