

Message from Mrs Hughes

Friday 5th June 2026

Dear Parents and Carers

Welcome to my newsletter as we start the final half term of this academic year - which has got off to a very wet start! We were disappointed to have to cancel our Early Years Sports Day this week but we are very much looking forward to welcoming families on site for the rearranged date next week.

Well done to all of our Year 4 pupils who have this week completed their Multiplication Tables Check. They have all been working so hard to learn all of their timetables facts.

Today, it was fabulous to welcome so many of you on to our site for our annual Sports Day. This event enables children to both compete in a range of sports and also work as a team to gain those extra house points through physical activity. It was wonderful to see so many smiling faces as well as those who tried really hard to challenge themselves physically.

This week also saw our Year 6 pupils start their swimming lessons. This is an initiative we are able to offer free of charge to all pupils through the supportive work of The Obex Foundation who fund our swimming lessons at Rebecca Adlington's swim school in Tring.

All children should be able to swim 25 meters by the end of primary school and these lessons enable us to support our pupils to reach this goal. This achievement not only enables them to experience huge success but it also equips them with vital safety skills at a time when we are hearing about so much tragedy on the national news linked to the danger of water.

We are supporting our pupils with another vital skill through our visits for each class to Dunstable library. These visits have proved really popular with all the children who have attended so far. They have enabled them to see what the library has to offer and enjoy the books and activities whilst there.

Next week, Year 2 will be enjoying their visit to the library. As we promote a love of reading in our pupils, so we support their ability to access the curriculum whilst at Beecroft and also on to later life.

I hope you all have a lovely weekend.

Mrs Hughes

Notices

Studybugs

Download the Studybugs app for reporting your child's absence

A quick and secure way to report absence due to illness and send messages to school.

If you do report via Studybugs, please keep a check for any replies from the school.

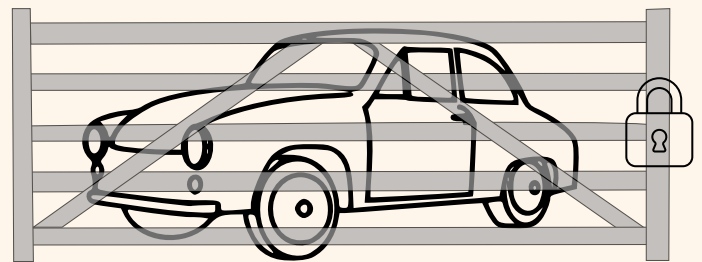

Please note the car park gates will be **locked** between

8:30am - 9:00am

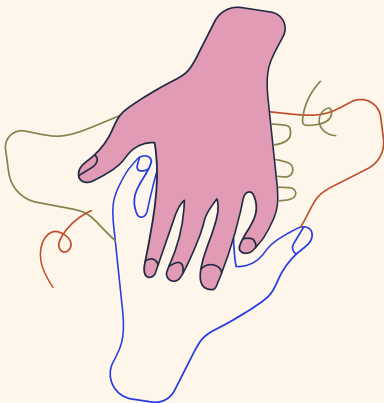

and

3:00pm - 3:30pm

Thank you

Thank you for supporting our value of June: **fairness**

How could you encourage your child to show this value at home?

Summer Term Prize

We will be celebrating with all children who are at or above the school target.

BEE-STIVAL
