Dear Parents and Carers

Welcome to my newsletter. First of all I would like to thank you all for your patience during the hot weather. As a school, we endeavoured to support working families by remaining open as usual whilst giving parents the option of an early collection if they felt this better suited their child. We also worked hard to keep the school building as cool as we could given the unusually high temperatures.

This week, we have carried out our two transitions days. These have given the pupils the opportunity to meet their new teacher and class mates and spend time getting to know each other ready for September.

Thank you to those of you who attended our Meet the Teacher events to gain an insight into the curriculum, expectations and events of the new year group your child will be joining. This also gave you all an opportunity to meet your child's new class teacher.

Yesterday, a group of Year 5 children represented Beecroft Academy at the Harpeneden Rugby Club tournament organised by the Jason Robinson Foundation and funded by The Obex Foundation.

The 14 pupils played very well and came second in the entire tournament; losing a very close final 1-0. Well done to them all.

On Monday, Year 5 were finally able to visit Whipsnade Zoo following the trip having to be postponed due to the hot weather. Today, Year 4 have enjoyed their visit to Whipsnade Zoo. Thank you once again to the PTA for supporting the school's membership at Whipsnade Zoo which significantly reduces the cost of these trips for all parents across the year.

On Monday next week, we will be celebrating our last Cultural Day of the academic year; Philippines. Children will learn about the culture, food and traditions of this country and they are welcome to wear traditional dress to school. Usual uniform should be worn by those not wearing traditional dress.

We are looking forward to the last two, very busy, weeks in school and I will be able to update you on these in my final newsletter of the year.
