Education Support Books

Dear Parents and Carers

As part of our ongoing commitment to supporting your child's learning journey, we're excited to offer you the opportunity to purchase additional educational books directly from the school. These books have been carefully selected by our teaching staff to complement our curriculum and provide further opportunities for your child to deepen their understanding and explore new topics at home.

Purchasing these educational books through the school offers several benefits:

- **Curriculum alignment:** The books are chosen to align with what your child is learning in class.
- **Quality assured:** We've vetted these books for their educational value and age-appropriateness.
- **Convenience:** You can easily purchase them directly from us without needing to search elsewhere.
- **Cost:** The school can purchase the books at a significantly reduced cost, including free delivery, when compared to other retailers.

Please see the list below for the options that are available and appropriate for each Key Stage. If you would like to purchase them, you can do so via the E-Shop on Magicbooking.
