Dear Parents and Carers

A very warm welcome back to a new academic year at Beecroft Academy!

I hope you all had an enjoyable summer break and enjoyed spending quality time with family and friends.

It has been an absolute delight welcoming our pupils back to school doors this week. The corridors are once again filled with energy, smiles and laughter. Our children have settled straight back into school routines with fantastic enthusiasm, looking incredibly smart in their uniforms and ready to learn. A special welcome to all our new pupils. We are so pleased to have you with us!

New Allergy Legislation and Training Update

You may be aware of new legislation regarding severe allergies and anaphylaxis management in schools, which formally came into effect on 1st September 2026. All staff have completed allergy awareness and emergency response training. We take medical safety with the utmost seriousness and these measures ensure our team remains fully equipped to support every child's health needs. Look out for information coming home soon.

Reminders for the Term Ahead

Uniform and named belongings:

Please check that all uniform is clearly labelled with your child's name so lost property can be quickly reunited with its owner.

Sun protection: As we often enjoy warm patches early in September, please ensure your child brings a sun hat to school and wears sun cream when necessary.

Parking courteously: As always, please remember to park safely and politely in the areas surrounding Westfield Road during drop-off and pick-up times, keeping our neighbours and children safe.

Thank you, as always, for your continued partnership and support. We have a wonderful term of learning, growth and exciting enrichment opportunities planned for our pupils, and I look forward to working together to ensure every child thrives this year.

Have a wonderful weekend.

Mrs Hughes
