End of day reading sessions

Dear Parents and Carers

As we head towards half term and the weather turns colder, we are updating the arrangements for our end of day 3:15pm reading session.

To ensure the safety and comfort of the children and families, we will no longer be able to host all parents in the classroom at the same time. The colder and wetter weather means we will not be able to use our outdoor area. This means all parents and children will have to be indoors where we will have less space in class. To ensure the safety of all those in the classroom and to create a calmer, less crowded and purposeful environment, we are making some changes to our reading sessions.

What is changing?

Starting after the half-term break, the class will be split into two groups: **Group A** and **Group B**. We will operate on a two-week alternating schedule:

- **Week 1 (A):** Group A parents are invited into the classroom for the 10-minute reading slot.
- **Week 2 (B):** Group B parents are invited into the classroom for the 10-minute reading slot.

Your child is reading week 1 (Group A)
