

# School Closure Activity Sheet- LKS2

## Academic

Write a balanced argument on the topic 'Should primary school children have a mobile phone?'.

In your house find as many different examples of right angles as possible. Record them.

On a world map locate a country from each continent. Locate this on a map and find out 5 facts about the country.

## Creative

Create a board game from scratch. Create a set of rules, cards and challenges to accompany this.

Write a rap, song or poem about Beecroft.

Draw the scene that you can see from your bedroom window.

## Technological

Create a presentation all about your history topic. Use the learning from our topic so far to support.

Record and find all of the items in your house that require electricity.

Research about a role model of yours. Create a poster to display the information you find out.

## Active

Create your own gymnastics routine. Record your routine or take photographs as evidence.

Find a Joe Wicks workout from YouTube aimed at children. How many workouts can you complete?

Complete the planking challenge. Each day complete a plank. Time how long each plank lasts for. Can you increase your time?

This sheet is designed to support your learning at home whilst the school is closed. Please record your work in your homework book and we will look forward to seeing what you have learned once the school has reopened.

Please see the other side of the sheet for some useful website and resources you may want to access alongside this sheet.

**Bonus Box!** Can you create and complete your own learning challenge? Write what it is in the box below.
