

School Closure Activity Sheet—EYFS

Academic

Write a sentence about your favourite toy and why you like playing with it.

Create words using the graphemes:

m d g o c k e u r h b f l

Create some addition and subtraction sums using objects around the house.

Creative

Create a model using junk modelling and decorate.

Make an Easter decoration using resources that you have at home.

Draw and colour a make believe sea creature.

Technological

Using a camera take a photo of your favourite toys.

What technology do you have in your house? Draw and label.

Research some facts about your favourite sea creature.

Active

Brush your teeth twice a day. Discuss why you need to brush your teeth?

Make a healthy lunch with a member of your family.

Show a member of your family the ball skills we have been learning (rolling, dribbling, passing and stopping the ball).

This sheet is designed to support your learning at home whilst the school is closed. Please record your work in your homework book and we will look forward to seeing what you have learned once the school has reopened.

Please see the other side of the sheet for some useful website and resources you may want to access alongside this sheet.

Bonus Box! Can you create and complete your own learning challenge? Write what it is in the box below.
