

1. We use plastic every day, but what would we do if it didn't exist?

List five items you use that are made of plastic

1.

2.

3.

4.

5.

What non-plastic items you would use to replace them?

2. Now imagine you can't use anything made of plastic for a whole year.

Write an account about what it would be like and what you would have to do differently.
