

Year 5 - Summer Term 2 - Learning at Home

Academic

Write and draw about the phases of the moon.

Write the biography of William Shakespeare.

Write about the different sea defences and explain their advantages and disadvantages.

Creative

Create a 'Wanted' poster for a wife for Henry VIII.

Research Kandinsky's artwork. Create a picture using his work as inspiration.

Draw a portrait of Elizabeth I using a medium of your choice.

Technological

Research the Spanish Armada. Present your information to the class.

Compare and contrast Elizabeth I and Elizabeth II.

Investigate and write the Tudor timeline using a computer.

Active

Plan a healthy dinner using foods that would be eaten by the Tudors.

Make up your own Joe Wicks workout.

How many star jumps can you do in a minute for a month. Record your data.

Our topic this half term is '**Terrible Tudors**'. We will be learning all about The Life of Henry VIII, Queen Elizabeth I and the Spanish Armada. On **Wednesday 17th July 2020** we will collect in your learning book and look forward to giving you feedback on your work. You can choose and record whichever activity you would like but you must complete at least one from each column. Tick the circle on the bottom right of each box to record the activities you complete.

Bonus Box! Can you create and complete your own learning challenge? Write what it is in the box below.
