

WALT: Understand what plants need to grow.

Task 1

Watch this video clip to learn more about what plants need to survive

<http://www.bbc.co.uk/programmes/p0118qs0>

Watch this video clip to learn more about how seeds get to the ground.

<https://www.youtube.com/watch?v=6hcjxaBz8mw>

Task 2

Try to grow some of your own seeds. Cress seeds are very easy and quick to grow. They are tasty to eat too!

This video and the instructions below can help you

<https://www.youtube.com/watch?v=pSJab0Re2fA>

1. Make a newspaper plant pot.
2. Place some cotton wool into the pot.
3. Wet the cotton wool.
4. Add the cress seeds to the top of the cotton wool.
5. Place on the windowsill in the sunlight.
6. Water the cress every day.

Task 3.

Make a seed diary. Draw a picture of your cress seeds every day. Write a sentence explaining how they are changing.

Mrs Mitchell, Miss Woodman and Miss Begum would love to see a photograph of you with your fully-grown cress in couple of weeks!
