Choose whether you complete task A, B or both.

Task A — Roman Gods Top Trumps

1. Using the Roman Gods card templates, choose a Roman God to research.
 2. Read the Roman Gods information or find out information using the internet.
 3. Give a rating to power, skills, weapon and importance on your Top Trumps card.
 4. Finally use a picture or draw your own.
- You can research and complete as many Top Trumps cards as you wish. You might also want to play with members of your house once you have enough cards to share.

Task B — Design a Roman Amphora Pot

Roman Amphorae were pottery jars which were used to carry different liquids.

You can use pencils, paint or other art mediums to design your own pot. Why not make the patterns or drawings on the pots more colourful? Use your imagination. There is a template to design and colour if you would like one.

If you would like to follow a video, then this link shows you how to draw a Greek Amphora pot which is very similar:
