Phonics

Phase 5

Day 1

Today we are learning how to segment and blend to read and spell words with the 'ay' grapheme.

This is a digraph. A digraph is when two letters together make one sound or phoneme.

Can you read the postcard and find all of the words that contain the **ay** digraph? Write a list of them. Don't forget your sound buttons. Make sure that you know what all of the words mean.

Dear Fay,

There was such a big delay when I went on holiday to Norway. My ticket was for Saturday but I had to wait until Sunday.

I checked the flight on the display and it said 'DELAYED' in big, red letters. I had to stay in the airport overnight, so I lay across some chairs and played with my crayons.

Sway Airways felt bad for the delay and said I did not need to pay and I got a free tray of food on the way to Norway. Hooray!

Did you have a good birthday yesterday?
