

Phase 3

This week we are focussing on learning the phonemes/graphemes j, v, w, x. These are Set 6 phonemes/graphemes of the Letters and Sounds programme.

Phonics Activity 1

Can you write a list of all the different objects in your house/garden that start with the phonemes j, v, w, x? Some may be harder to find than others!

Phonics Activity 2

Practise writing the graphemes in different ways. Can you write them in sand or chalk?

Can you write them on big paper with coloured pens/pencils? See separate sheet for correct letter formation.

Phonics Activity 3

Practise reading the words below. First say each grapheme (segment) and then put them altogether as the whole word (blend).

There may be some words your child doesn't know or that start with a capital letter. Talk about the meaning of those words.
