

Start Who has 2 tens?	I have 15,789 Who has 1 ten	I have 41 Who has 3 units?	I have 3,409 Who has 6 thousands?
I have 321 Who has 4 thousands?	I have 619 Who has 9 hundreds?	I have 93 Who has 7 units?	I have 6935 Who has 4 ten thousands?
I have 4398 Who has 2 units?	I have 2970 Who has 1 hundred?	I have 57 Who has 0 thousands?	I have 43,498 Who has 0 hundreds?
I have 3452 Who has 8 hundreds	I have 165 Who has 2 ten thousands?	I have 10,398 Who has 2 hundreds?	I have 2039 Who has 5 ten thousands?
I have 883 Who has 6 units?	I have 23,634 Who has 5 hundreds?	I have 279 Who has 3 ten thousands?	I have 57,651 Who has 9 ten thousands?
I have 2796 Who has 5thousands?	I have 2595 Who has 4 tens?	I have 32,698 Who has 0 tens	I have 98, 735 The end

Begin with the box that says Start, Who has 2 tens?

Pick the number on the grid that has 2 tens and write it down.

Answer the question that is in that box and so on until you have all the numbers written down.

Good Luck!
