

Phase 3

This week we are focussing on learning the phonemes/graphemes ch, sh, th, ng. More digraphs are introduced this week which are 2 graphemes (letters) that make 1 phoneme (sound). These are Set 8 phonemes/graphemes of the Letters and Sounds programme.

Phonics Activity 1

Recap the graphemes you learned last week
(y, z, zz, qu)

Can you find objects in the picture below that have those graphemes in them?

Phonics Activity 2

Practise writing the graphemes in different ways. Can you write them with water and a paintbrush outside? Can you write them in flour on a big plate?

Phonics Activity 3

Practise reading the words below. First say each grapheme (segment) and then put them altogether as the whole word (blend).

There may be some words your child doesn't know or that start with a capital letter. Talk about the meaning of those words.

chin

Phonics Activity 4

I have found some aliens but they don't have any names! Can you write a pseudo word for each alien using the graphemes we are learning this week?

	Name of alien
	
	
	
	
	

Phonics Activity 5

Can you read the words on the gold coins and decide which are real (treasure) words and which are pseudo (fake) words?

Treasure Words

Fake Words

chicken

chip

chill

bath

path

mich

sheck

chockin

chell

tornid

thuth

zup

righ

booff

reng
