The Three Billy Goats Gruff

Once upon a time, there were three Billy Goats Gruff who lived in a valley. One day, they saw a field of sweet, green grass, but to get there they had to cross a bridge and underneath there lived a terrible, grumpy troll. The three goats made a plan.

The smallest Billy Goat Gruff came to the bridge. "Who's that trip trapping over my bridge?" growled the troll.

"It's only me, the little Billy Goat Gruff," said the smallest goat.

"Then I'm going to eat you up!" roared the troll.

"Don't eat me, I'm much too little," said the smallest Billy Goat Gruff. "My brother is coming after me and he is much bigger." So the troll waited for him.

Next, the medium-sized Billy Goat Gruff came over the bridge. "Who's that trip trapping over my bridge?" growled the troll.

"It's only me, the medium-sized Billy Goat Gruff," said the goat.

"Then I'm going to eat you up!" roared the troll.

"Don't eat me, I'm much too little," said the medium-sized Billy Goat Gruff. "My brother is coming after me and he is much bigger." So the troll waited for him.

Soon, the biggest Billy Goat Gruff came over the bridge.

"Who's that trip trapping over my bridge?" growled the troll.

"It's me. Big Billy Goat Gruff," said the goat.

"Then I'm going to eat you up!" roared the troll.

"Oh no you won't!" shouted the biggest goat, and he charged at the troll. Smack! He butted him right over the edge of the bridge. The troll fell into the river and was never seen again.

The big Billy Goat Gruff joined his brothers. They found their field of sweet, green grass and ate lots.

Around the World in 80 Days

Mark Beaumont - Around the World in 80 Days

Last year, Mark Beaumont, an athlete, tried to make history by cycling around the world in just 80 days. This challenge was made famous by a book called, 'Around the World in 80 days', by Jules Verne. The main character, Phileas Fogg, tries to travel around the world using hot-air balloons, trains and boats but Mark Beaumont cycled the whole way. Mark had cycled around the world before but this time, he had a record to break!

Mark covered an amazing 18,000 miles in order to complete the challenge. He rode for around 16 hours every day, for 11 weeks! He did little else other than ride, eat and rest. He travelled through 14 different countries, across Europe, Asia, Australia and North America.

Preparing for the challenge was very difficult and took lots of time and money.

Most importantly, Mark needed to be fit enough to complete the challenge and have just the right equipment. To test both his equipment and his fitness, Mark cycled around the coast of Britain. This challenge began in London and covered 4,200 miles in just under three weeks.

Incredibly, Mark broke the existing world record and cycled the route in 79 days! This was 44 days less than his previous attempt.
