

Send us a postcard

We would love to hear all about the things that you have been up to during Lockdown and the things you're looking forward to when we come back in September. Please can you write a postcard to your new class teacher telling us lots of fun facts about you, what you've been up to and what you're looking forward to next year. There is a template on the next page if you need it, or you can create your own. On the other side please can you draw a picture of your ideal holiday destination if you could visit anywhere in the world.
